### **COVID-19 Waiver**

I, \_\_\_\_\_, am fully aware of the current global Coronavirus COVID-19 virus outbreak, the current travel restrictions, and inherent risks involved if choosing to travel. Furthermore, I am aware that the majority of serious cases and deaths contributing to this virus are in people over 60 years old.

I understand that it is my responsibility to check the latest travel information regarding this virus outbreak and that I should have travel insurance to ensure I have cover for all medical needs and trip cancellation, but understand that medical expenses/and or cancellation relating to the Coronavirus COVID-19 may not be covered. Travel insurance generally only covers unforeseen events. Most insurers classified COVID-19 as a 'known event' late January 2020. This means as I am booking after 31 January 2020, it's unlikely will be covered for anything relating to COVID-19 other than personal illness.

\*\*Please note that most policies have a specific clause stating they do not cover epidemics and pandemics, especially when travel warnings are in place. Check with your insurance policy.

I confirm that I have adequate financial resources in case medical care is needed relating to Coronavirus COVID-19 and understand the inherent and potential health risks of travel during this time.

I am aware of my state's travel warnings, travel restrictions and rules - as well as those where I am traveling - and understand the risks, am accepting of these and know that Indie Business™ cannot be held responsible for any travel restrictions, illness, cancellations, financial loss, quarantining rules or measures put in place at airports or destinations I am traveling through.

I am aware that it is my personal decision to travel and am doing so with full knowledge of current travel recommendations and travel restrictions with regards to the Coronavirus COVID-19 and take full responsibility for my actions with regards to this.
